The offers and rebates as described above are available to individuals only and not to businesses via corporate purchased phones/accounts. **Instant Savings:** \$200 offer not available on Vision-enabled PCS Phones. Savings/rebate cannot exceed total purchase price of phone(s). Customers with preferred credit who activate service at the time of phone purchase qualify for instant savings. All other customers will be eligible to qualify for a mail-in rebate of equal value. Preferred credit customers who do not receive instant savings qualify if their account is kept active for 30 consecutive days. PCS Clear Pay customers qualify if their account is kept active for 60 consecutive days after the first invoice date and does not have any unpaid past due amounts at the end of this 60 day period.
